FYI.... Alison thinks it is the Alternatives to Abortion program under HHSC, but Olivia is checking to see if there is something in her area before I send to HHSC.

It sounds like the Alternatives to Abortion program/rider in Texas. Administered by HHSC.

Alison,

Are you familiar with the Real Alternatives program? If so, do you know who to refer this inquiry to?

Hey Ricky-

I've got another question for you... could you help connect me with the person in your state who would oversee the Real Alternatives program? It's usually funded with partially/or fully TANF dollars. Indiana is looking at bringing the program to our state and wondered what Texas' experience had been. If you need more background info from me let me know. Thanks for any direction you can provide!
